Chanterelles 3lb | #18866 | European

Yellow to orange in color. The cap is fleshy with an earthy, fruity flavor. (in stock)

Morel 3lb | #18867 | Domestic/Tibet

Meaty when cooked, releasing a earthy, woody deep flavor. Blonde to dark brown in color with honey comb-like caps. Contains a hollow stem. (4-day pre-order)

Cauliflower 5lb | #00408 | Cultivated

Sponge-like appearance. White to tan in color. Unique earthy, umami flavor with notes of almond. (3-day pre-order)

Lions Mane 3lb | #00424 | Cultivated

Identified by a single clump of dangling spines, this stringy and meaty fungi has a seafood-like taste. (3-day pre-order)

Black Summer Truffle ea | #09478 | Italy

Flesh varies from white/cream to dark brown. Mild, nutty, creamy flavor and aroma. (3-day pre-order, MOQ 1/4lb per order)
