Northern California Market Report

Summer, Served!

"Summer cooking implies a sense of immediacy, a capacity to capture the essence of the fleeting moment."

— Elizabeth David

New! #10606 Organic Santa Rosa Plums case from Frog Hollow Farm are now available to order.

Peru has begun their blueberry season, and we expect to see CA blueberries transition to Oregon product soon.

MX Grapes have improved in supply. We expect to see the CA Grape season begin in a couple more weeks.

Watermelon is transitioning to AZ and Imperial Valley, CA product. Weiser melons, #10577 Toybox Mix case and 14643 Sugar Cube melon case are eating very well.

CA Figs are expected to become short as the Breba crop finishes and gaps for the next few weeks until the main crop begins. We would suggest featuring seasonal stonefruit or berries in the meantime.
